When You Arrive...

- Once you've arrived at BeWILDerwood, a grownup will need to collect your wristbands and maps from the Grubbles Greeting Gate. This is a good time to get yourselves organised into groups on Grubbles Green (the grassy area before you enter)! Wristbands need to be popped on by everyone before heading in.
- We have toilets available at the bottom of the car park if anybody needs to use them before your WILD adventure.

Other Helpful Tips

Dress for the occasion: Make sure explorers are dressed for a day full of slipping, sliding and running WILD in the woods. Please ensure skin is covered when using our slides.

Pocket money treats: We recommend visiting the Bizarre Bazaar (our gift shop), in smaller staggered groups (max. 15 per group). Psst! You can pre-order goody bags if you'd like.

Supervision: We want to make sure that every visitor has an enjoyable time running WILD in BeWILDerwood. It is the responsibility of group leaders and helpers to supervise their group on a visit.

BeWILDerboats Anyone under the age of 16 must have an adult present whilst riding a BeWILDerboat. Each boat can take a maximum of 12 people per trip.

Group size: Splitting your group into smaller groups (about 10 or so works well) is especially useful as you can run WILD around the park in any order you wish. This means you can start in different areas of the park, so it won't feel too busy! Don't worry, you can always meet up at one of our picnic areas for lunch to share your adventure tales!

Coach drivers: Don't sit on the coach and get lonely – come in and see us! Ask at the Grubbles' Greeting Gate for a yummy food voucher and head on in

See you soon!
